

**Devizes U3A Aviation Studies Group**

**Visit by Coach to the RAF Museum, Hendon**

**Wednesday 7th August 2019**

This will be a very interesting visit to the RAF's Hendon museum.

The Museum has introduced a number of new themes and related displays over recent years, so even if you have visited before, there will be plenty to see.

**The cost of this visit is £25 per person, which includes hire of an Executive coach, the drivers tip and a donation to an RAF charity. Admission is free.**

There are three cafes at the museum, the Sunderland, Claude's and Wessex, so there are several possible places where refreshments can be found and sore feet rested.

Priority will be given to current Devizes U3A members, but members of other U3As will be welcome.

Please note that anyone not a current member of Devizes U3A will not be covered by our travel insurance, and so will need to make their own arrangements as appropriate.

The coach will leave the Station Road Car Park in Devizes at 09:00 on Wednesday 7th August, due back in Devizes around 18:00 hrs.

**The first 30 completed application forms, with cheques, will assure a place on the visit.**

Once all places are taken, there will be a standby list, and you will be advised if you are placed on this list. Trust all this is clear, any problems, please call me.
